**What happens next?**

- Email completed form to us at [info@cypruspridehouse.org](mailto:info@cypruspridehouse.org)
- CPH will then arrange a home visit if we feel you have the right home to offer the pet you have chosen or we discuss a suitable alternative pet. After the home visit, we email you to let you know if you've been successful or not.
- If successful, you have to secure the adoption straight away by sending the minimum adoption fee to our UK bank account. You also need to send this form (completed and signed) by post.
- Once we receive the adoption fee, we will email you to confirm that the adoption is complete and let you know the details of the flight.
